## Guatemalan Independence Day

This September, our students proudly celebrated Guatemala's Independence Day with a series of cultural and civic activities. They participated in different school activities proudly wearing traditional clothing, performed songs and dances representing the country's rich heritage, and shared presentations about the importance of national identity.

The day was filled with joy, pride, and unity—reminding us that education is also about honoring our roots and cultivating love for our culture and history.

To another great month in school!!

**Celebrating our roots reminds us that freedom also means honoring who we are.**

## ★ Exciting Times at FAM!

The school year in Guatemala runs from January to October, which means our students are now in their final stretch before wrapping up classes. 🎓

Up next, we are preparing for one of the most meaningful milestones of the year: the graduation of our high school students in November! 🎓❤️ This celebration is a reminder of the hard work, resilience, and dreams our students carry with them.

In addition, we're thrilled to share a new initiative: we've partnered with Guatemalan artisans to sell beautifully handcrafted bags. 🎒 Each purchase supports both local artisans and our educational programs. Reach out to us today to get your catalog and be part of this impact! 🙌

**Education opens the doors to the future  
our students dream of.**
