

Mid-Year Joy & One More Chance to Win

FAMILY DAY – A CELEBRATION OF LOVE & UNITY

Before heading off on vacation, our students celebrated a joyful Family Day, where laughter, creativity, and togetherness filled the school. Each family drew a color from a raffle and showed up wearing matching outfits—a fun and spirited way to bring families closer together.

Our students shared artistic performances and family parodies, including La Familia Peluche and Una Familia de Diez, bringing laughter to everyone present. Parents and students played interactive games that strengthened their bond and reminded us all of the joy found in simple, shared moments.

The day ended with a community lunch, leaving smiles on faces and hearts full of gratitude.

A STRONG FIRST HALF OF 2025

Time truly flies when you're learning and growing! Our students have just completed their second academic term, working hard to strengthen their knowledge and skills in preparation for the future. Thanks to your ongoing support, they continue to push boundaries and reach goals they once thought impossible. Now, they're taking a well-deserved break for their mid-year vacations, recharging their energy for the second half of the school year. The classroom may be quiet, but the dreams and determination of our students remain alive and strong.
