

START THEIR 2026 WITH HOPE

A Holiday Gift That Changes a Student's Life

Dear FAM-ily,

Every year, when January arrives, our students walk through the school gates with dreams bigger than anything they've ever known.

But behind many of those dreams lies a quiet reality:

- Some come to school with empty backpacks.
- Some arrive after walking long distances because they can't afford transportation.
- Some begin the year without a single notebook, a pencil, or a warm meal to sustain their learning.

**And yet, their hope never fades.
They show up. They try. They believe.**

Your support becomes a student's new beginning ✨

- A backpack where ideas can grow.
- A meal that brings strength.
- A safe ride to school.
- Access to technology that opens doors they never thought possible.

When you give, you are not just providing supplies — you are giving a child the chance to keep dreaming.
