

BEGINNING 2021

2021 School Year Begins with Hope and Joy!

The first of February we began classes for the 2021 School Year! With a lot of joy our students returned to a school. We are implementing the biosecurity measures required by the Ministry of Health to protect our educational community. These safety measures include masks for all, hand sanitizing throughout the day and ensuring that there is ventilation and fresh air in all spaces. Our mission is to ensure our children receive the classes they need to continue in their studies. Our dedicated teachers are visiting the communities where the students live to enhance their educational activities. We have opened our school to small groups to reinforce educational lessons and reach out to students via platforms to their parent's phone to send assignments and information.

Working Together OBH, Rotary and Asturias Maldonado Foundation [FAM] to support Guatemala

It has been 1 year since the world faced an unprecedented health crisis. A large number of families and people around the world, especially in underdeveloped countries have lived through difficult times, of great uncertainty and great need, and it is at this time that they need our generosity, work and support.

That's why Asturias Maldonado Foundation in conjunction with our donors, especially OBH and Rotary have supported a large number of families and people that live in the southwest and northeast part of our country, Guatemala for over the last seven months. The Asturias Maldonado Foundation also helped communities affected by hurricane Eta and Iota, FAM has been supporting 325 families with nurseries to ensure these families have their nutritional needs met, and in the northeastern region FAM has supported 2,000 families with donations of daily nutritional needs including 3 meals per day, for a period of 2 months. The Asturias Maldonado Foundation also delivered water filters and other necessities to hundreds of families during this time of dire need.

A Million Thanks to all who have made these donations and efforts possible and we continue in our commitment to working to help our people and our country!

Fundraising Initiative

We want to introduce ONEHOPE, a winery in the heart of Napa Valley that is all about creating GREAT WINE as well as creating SOCIAL IMPACT! They are rooted in purpose and intent upon nourishing the future. They are proud to have donated over \$6 million to charities with their programs. You can learn more about their story by clicking on my link below.

ONEHOPE is passionate about creating change for the good of all—in our communities, in our world and in the lives of individuals. How will I do this? By sharing all things WINE! We know that you love wine too! BTW, these are not your typical fundraiser wines! They really are delicious.

Please help with raising money for FAM by purchasing delectable wines via ONEHOPE Asturias Maldonado Foundation.

This is a non-profit that is committed to supporting and educating children of rural farm families in Guatemala. You can check them out at this website: <https://www.asturiasmaldonadofoundation.org> Purchase delightful wines at reasonable prices and know that you are helping many causes (see attachment). The more you purchase, the bigger the discounts. Being a Preferred Customer is the way to go. You will get a generous discount and only \$10 shipping!

We'll be matching the final donation amount! There are no obligations other than you and your friends enjoying your wine. And your friends will appreciate a gift from you that they can enjoy while knowing it is also helping a worthy cause.

Please find the fundraising page by clicking on this link: <https://www.onehopewine.com/event/84772>
