

Happy Thanksgiving! What We're Thankful For this 2025...

We are thankful for... Our Growing Community of Donors

We're incredibly thankful for every donor who joined our mission this year. Your generosity fuels the education and dreams of our students.

We are thankful for... Successful Fundraising Campaigns

From our raffles to tamalito sales, each campaign brought vital resources and brought our community together.

We are thankful for... Supportive Local and International Partners

Thanks to our allies near and far who stood by us and amplified our reach and impact.

We are thankful for... Our Dedicated Teachers and Staff

Their unwavering commitment and compassion make the Institute a place of growth and opportunity.

We are thankful for... Student Achievements and Academic Progress

We're proud of the academic strides made by our students—proof that access to quality education changes lives.

We are thankful for... Graduation of Our Middle and High School Students

We celebrated the milestones of our graduates, marking the beginning of new, promising journeys.

We are thankful for... Launch of New Educational Initiatives

With your help, we began laying the foundation for upgraded labs and future learning programs.

We are thankful for... Engaged Volunteers and Friends of the Foundation

Your time, ideas, and dedication continue to uplift our work and inspire our mission.

We are thankful for... Enhanced Communication and Visibility

This year, we reached more hearts through improved storytelling, social media, and outreach.

We are thankful for... Moments of Connection and Shared Purpose

From meetings to milestones, we're grateful for every moment that brought us closer to our purpose.

GI^{HEART}ING TUESDAY

Is around
the corner!

On this global day of generosity, we invite you to be part of our mission. **This December 2nd, your donation can help us provide meals, transportation, and quality education to students in rural Guatemala.**

Every gift changes a life. Stay tuned on our social media and website to learn how you can support.
