

# Your Gift Becomes a Student's New Beginning

## FAM's Year-End Campaign 2025

### Dear FAM-ily,

When a student begins the school year without a notebook, a pencil, or a way to get to class, learning becomes an uphill battle.

But when a student begins the year prepared... everything changes.

They sit taller.  
They participate more.  
They believe in themselves.

**Your generosity turns barriers into possibilities.**

### What Your Gift Provides

#### School Supplies

A notebook isn't just paper — it becomes a place where ideas grow. A pencil isn't just a tool — it becomes a key that opens a future.

#### Transportation

A safe ride to school means fewer missed days, fewer worries, and more chances to learn.

#### Meals

A warm meal helps students focus, feel energized, and stay motivated throughout the day.

#### Access to Technology

The computer and science labs allow students to discover new skills, explore careers, and unlock opportunities beyond the classroom.

#### Dignity + Hope

When a child begins the year with what they need, they walk into school with confidence — and that changes everything.

### A Student's Voice

"When I have a notebook and pencil, I feel like I can learn anything and do everything."  
—14-year-old student, San Marcos

Your holiday gift makes this feeling possible.

**This holiday season 🎄🌟  
may your gift be a donation of hope**

- ➡ In Guatemala: donate securely via [PayPal](#)
- ➡ In the U.S. or Canada: give through [Hopsie](#) (U.S. donations are tax-deductible)

Every backpack, every bus ride, every warm meal, every book begins with your generosity. Thank you for giving hope.
