

OUR DONORS COMMITMENT AND GENEROSITY

We always Work and Support our People

In these difficult times there are always those who help with their generosity and kindness.

The FAM donors are just such a group that in moments of crisis and uncertainty step forward to help. OBH is just such an organization that has partnered with FAM to work and support the families of La Reforma, San Marcos. Through their generosity today we were able to provide 330 families with bags of food from throughout the region. This help provides much needed assistance and hope for families affected by the pandemic.

Together we are working to help our people and our country.

Graduation 2020

MY NAME IS LIDIA ROSARIO MEJÍA OROZCO.

I am 18 years old and I live in the Parcelaciones Natividad de María community, La Reforma, San Marcos. My family consists of 11 members, my father, Octavio Félix Mejía Pérez, my mother Lidia Azucena Orozco Fuentes and my 8 siblings (3 brothers and 6 sisters.) I am the last and youngest child.

In 2021 I want to continue my university studies and at the same time work to cover university degree expenses and help my parents.

My goals are:

1. To develop my capacity and creativity at a well established company.
2. Continue my university studies in Systems Engineering at the University of San Carlos Guatemala.
3. Help my parents in whatever is necessary because thanks to all their efforts I was able to finish my studies.

My aspirations for the next 5 years are to:

- Have a home of my own through my efforts.
- Fulfill my parents' wish to be able to travel to other places together.
- Work full time to achieve my goals.

I thank the Asturias Maldonado Foundation for the support given me and the education I have received.

Lidia has been an outstanding student, on the Honor Roll, being responsible, active, and embodying school values--Licda. Evelyn Guachin
