

End of the School Year & Graduation!

A Look Back at How We Closed the School Year

Throughout October, our students dedicated themselves to wrapping up the academic year with effort and determination:

- ✓ Final grades were delivered, and both individual and group achievements were celebrated.
- ✓ Many students participated in academic reinforcement sessions and recovery activities to complete pending subjects.
- ✓ We also held creative workshops, hands-on classes, values-based activities, and small celebrations to mark a year of growth.

Every moment was an opportunity to learn, improve, and share.

🙏 Thank You, Teachers!

We couldn't close this school year without expressing our deep gratitude to our teaching team. Every class taught, every word of encouragement, and every extra effort has made a difference in the lives of our students. Thank you for your tireless dedication, for believing in each young person's potential, and for guiding them with passion and commitment.
