

We're kicking off GIVINGTUESDAY 2025

Hello from FAM,

We're excited to share that GivingTuesday 2025 is officially underway — and this year, we're inviting you to be part of something truly meaningful.

On December 2, 2025, millions of people around the world will come together in a global movement of generosity. At Fundación Asturias Maldonado, this day represents hope, opportunity, and the chance to keep changing lives in La Reforma, San Marcos.

This year, our theme is:

♥ **Connecting Hearts. Transforming Futures.**

Because that's exactly what your support does.

What GivingTuesday Means for FAM

Our students rely on the Institute not just for education, but for the basic stability that makes learning possible.

Your generosity helps provide:

- Daily transportation to and from school
- A nutritious meal each day
- Dedicated teachers and classroom support
- Internet access — often their only window to the world
- Essential school services that keep everything running

What it means to our students

- The meal they receive at school is the only meal they'll have that day.
- Transportation means their parents don't worry about long walks in the rain or in worn-out shoes.
- Internet access at the Institute may be their only connection to information beyond their community.
- Teachers serve not just as instructors, but as mentors who help shape kind, responsible young adults.

🎯 Our Goal This Year

We're aiming to raise:

- \$5,000 (must-meet goal)
- \$10,000 (stretch goal to sustain our operations)

♥ Join the Movement

Throughout November, we'll share stories from our students, teachers, and community to show you exactly how your support changes lives. We invite you to follow along, share our posts, and join us on this journey toward GivingTuesday.
